Sep - Oct'23

Assisted line technicians to understand the working of India's longest automobile production line
Interacted closely with senior engineers to understand the development of commercial vehicles

Aftersales intern, Jaguar Land Rover (VST Group), Chennai

Jan'23

Gained hands-on experience in vehicle maintenance, repair and customer service
Acquired knowledge of basic service protocols and inspection of premium vehicles

Mobility Intern, Frost & Sullivan, Chennai

Jul'22

Acquired in-depth insights into the business dynamics of the automotive industry
Interpreted market trends and strategies of automotive OEMs to gain industry insights

ACADEMIC PROJECT

Title: Central Tire Pressure Regulation System (CTPRS)

Duration: Jul'23 - Jul'24

Team size: 3

Summary: Designed to enhance vehicle safety by continuously monitoring tire air pressure and automatically adjusting it to optimal levels, the CTPRS system inflates under-inflated tires and deflates over-inflated ones, ensuring balanced pressure across wheels, reducing the risk of tire-related accidents alongside improving fuel efficiency and overall vehicle performance

Individual role: Handled procurement, contributed to welding and fabrication, and led project presentation with demonstration to panel members

AWARDS AND ACHIEVEMENTS

- Conferred Best Project Award instituted by TAFE (Tractors and Farm Equipment) for Design and Fabrication of Central Tire Pressure Regulation System at SVCE Chennai in final year, Apr '25
- Awarded 1st runner-up amongst 80 participants in 'Analytics Showdown' organized by Know-I at SVCE Chennai, Feb '23
- Stood second among 30+ competitors in the auto quiz event organized as part of Traxion'21 at SVCE Chennai, May '21

WORKSHOPS

- Attended a three-day 'Innovate 2023 Hackathon' conducted by the Daimler India Commercial Vehicles, Chennai, Aug '23
- Participated in 'e-Mobility: The Present and the Future' conducted by the Mahindra & Mahindra, Chennai, Apr '23
- Undertook a five-day online car design workshop conducted by Motor Vikatan, Chennai, Jun '20

SEMINARS AND CONFERENCES

Attended the two-day National Conference on Hybrid and EVs at Bharat Mobility Global Expo, New Delhi, Jan '25

EXTRACURRICULAR ACTIVITIES

- Participated in Aravalli Terrain Vehicle Championship (ATVC) held at Pune, '24
- Appointed Head, Social Media and Marketing, at Engineers without Borders, SVCE Student Chapter, '22 -'23
